

Leslie H. Walton Scholarship Fund

It's the time for giving ~
and CATEC students
& the Leslie H. Walton Scholarship Fund
need your help!

Every spring since 1976
the Leslie H. Walton Scholarship fund
has provided deserving CATEC students
with scholarships for tuition
and other fees so that they can continue
their studies in career and technical areas.

If you are able to help
in this season of giving,
our students can have the
opportunity to continue
their pursuit of post-secondary
training.
