JOIN GSVSC FOR THE GIRL SCOUT WIND ENERGY CHALLENGE!

This program is made possible by The Center for Wind Energy at James Madison University and CATEC.

SATURDAY, SEPTEMBER 29, 2018
9 A.M. – 3 P.M.
CATEC REGIONAL HIGH SCHOOL
1000 RIO RD E, CHARLOTTESVILLE, VA 22901

Get a taste of Girl Scouting! Come out to the Wind Energy Challenge and try your hand at building a wind turbine. Girls will have the opportunity apply their STEM skills to design, build, and test a wind turbine in a wind tunnel. They will also learn about wind energy and talk to industry professionals about what they learned. Awards will be given for the turbine that produces the most energy among other things. Want more fun? Information will also be provided on how you can join a Girl Scout troop in your area.

Participants may attend as individuals with a guardian/parent/adult Guardian/parent/adult chaperones are required to register and stay during the entire program.
